SITUATION SUMMARY

4.7 Magnitude Earthquake, Wimer Place, NV

- On 11/06/14 at 0034 hours a verified 4.7 Magnitude Earthquake (EQ) occurred near Wimer Place, Nevada. The EQ was originally reported as being located in Modoc County, however, the location was later changed to the State of Nevada.
- Modoc County Warning Point (WP) was briefed by the California State Warning Center. They reported that the EQ was not felt and there were no reports of damage or injuries.

Shaver Lake, Fresno County, 2.9 unverified earthquake (New/Final)

- At 0554 hours on 11/06/14 the California State Warning Center was advised by Fresno County of reports of explosions in the Squaw Valley area of Fresno County, possibly due to an unverified 2.9 earthquake that occurred at 0500 in the Shaver Lake area. Fresno County advised that officers were dispatched to the area and were reporting no injuries or damage. Deputies patrolled the area and were unable to locate any evidence of explosions in the area of the calls. CUEA and Cal OES Inland, Law and Fire duties officers notified of the incident and are monitoring. There are no unmet needs.

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

Active Weather Warnings, Watches and Advisories: http://www.wrh.noaa.gov/sto/brief/www_bc_cal.php

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

A weak front will move through northwest California today bringing a chance of rain north of Cape Mendocino. A warming and drying trend will begin on Friday as a strong ridge of high pressure builds over the west coast for the weekend into early next week.

San Francisco Weather:

It will be slightly cooler today as a weak system passes to the north then a gradual warming trend beginning on Friday through early next week as upper level ridge builds along the west coast. Temperatures are expected to return to normal readings by the middle of next week as the ridge weakens.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

High pressure over the west coast will bring dry conditions with above normal temperatures through at least the middle of next week. High clouds will move across the area at times otherwise fair skies are expected.

Hanford Weather:

High pressure will continue to build over the region with above normal temperatures through the weekend. Patchy morning fog will decrease each day.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

High pressure aloft and offshore flow at the surface, will dominate the weather pattern through the weekend, with above normal temperatures and locally gusty winds present at times. More seasonal conditions are expected for next week as a series of weak troughs of low pressure approach the west coast.

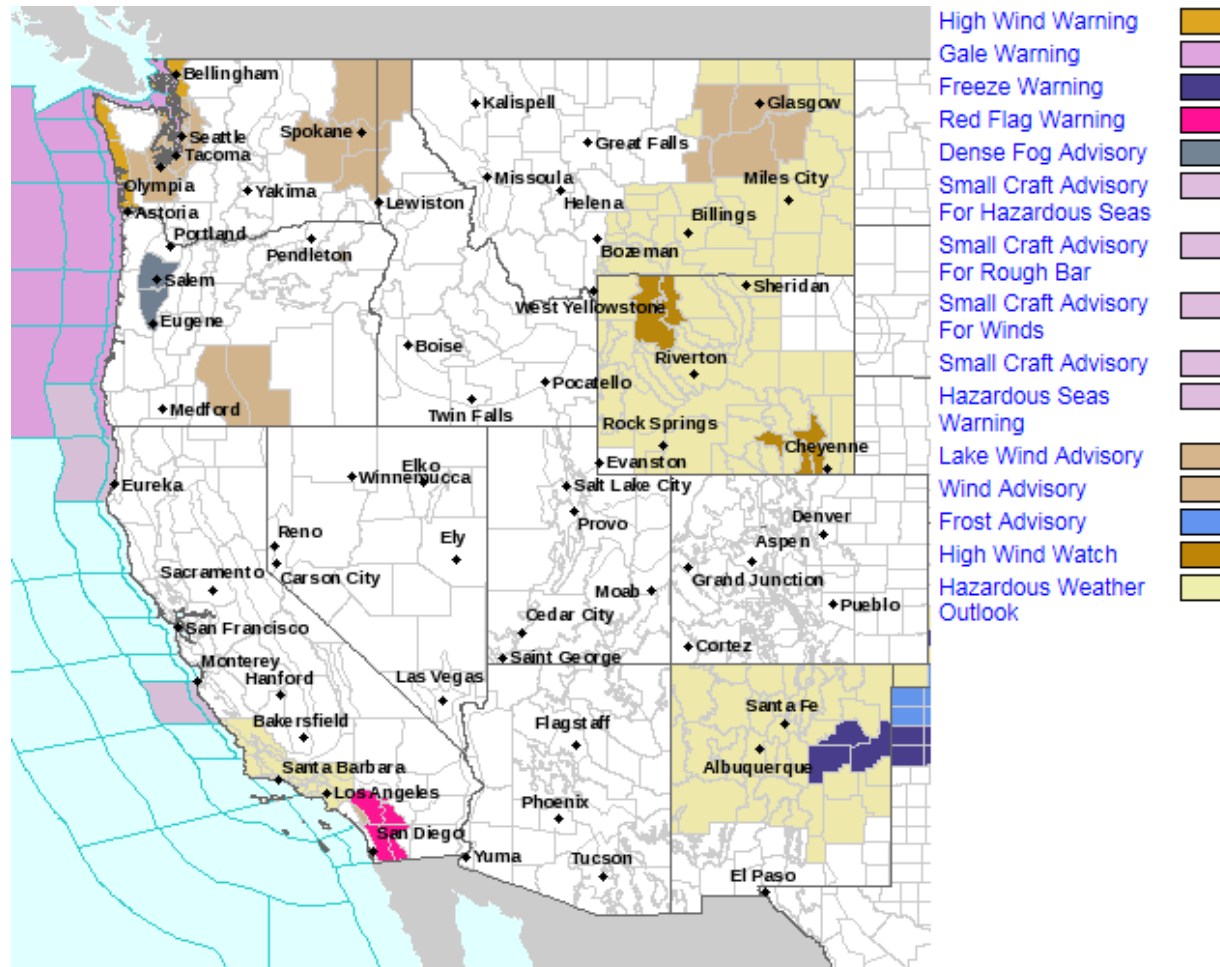

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Very warm and dry conditions will prevail through Saturday with gusty northeast to east winds during near the coastal mountain slopes during the late night through early morning each day, strongest this morning. For Sunday through Wednesday offshore flow will weaken and high pressure aloft will weaken bringing slow cooling with a brief return of night and morning low clouds and fog possible.

Southeast California Weather:

Strong high pressure over the region will keep conditions sunny and dry through the middle of next week. Temperatures will remain well above normal though likely just short of record territory. The warmest day for the next week will likely be Saturday with some locations eclipsing the 90 degree mark. A very slight cooling trend will spread through the area next week.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program. The VAL is working with nonprofit organizations on seeking reimbursement.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The VAL participated in a meeting with the CA Human Development agency and the Great Northern Services to discuss potential use of drought funding to assist fire survivors with rental and utility payments. Great Northern Services will work with the VAL to identify the need for assistance. If funding is approved, payments will be made directly to the landlord and or utility company. The rental and utility needs of residents affected by the Happy Camp fire will also be captured.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyou.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- CalRecycle is beginning the process of contacting property owners for the removal of trees. Homeowners will be asked to sign a separate Disposition of Tree Agreement (DTA). No tree removal will begin on a property until the DTA is signed. Tree stumps will not be removed. Tree removal is slated to begin next week.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

23,795.09 total tons of debris have been removed as of Day 26 of operations (445.23 tons of metal delivered for recycling; 7,827.83 tons of concrete delivered for recycling; and 15,522.03 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 26

- 133 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 12 Sites denied entry.
- 133 Sites documented.
- 133 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 128 Debris removal completed.
- 115 Sites sampled.
- 22 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

- One (1) Cal OES Recovery staff is assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

Recovery Activities

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Fifty-nine (59) RPAs were received and nine (9) were withdrawn for a total of fifty (50) RPAs submitted to FEMA. Thirty-One (31) Kickoff Meetings have been completed.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations. A representative from the Solano Community Action Partnership will contact individuals who visited the Solano Information Center to notify them of the opening of the Disaster Recovery Center (DRC).
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On October 29, 2014, FEMA and SBA provided representatives in the Napa LAC. On October 30, 2014, the Disaster Recovery Center in the City of Vallejo opened. The LAC and DRC are open until further notice.
- The California Small Business Development Centers (SBDCs) have partnered with SBA and are providing services at no charge to assist small businesses impacted by the disaster with financial counseling, management and technical assistance, business planning, reconstructing damaged or destroyed business records, rewriting business plans, etc.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC and REOCs are activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
